

SCIENNES HOME LEARNING PACK INFORMATION

In the Learning Pack you will find a jotter, a pencil, some materials and books. There are paper copies of your **HOME LEARNING GRIDS** which show what you will be learning for the next two weeks. There are also passwords for websites used in school. We will put more Home Learning Grids on the school website after the Easter holiday.

DIGITAL LEARNING

We will mostly use our school website to give you information about learning.

SCIENNES SCHOOL WEBSITE www.sciennesprimaryschool.com

Each year group has a **CLASS PAGE** on the school website. A copy of the HOME LEARNING GRIDS will be posted there. You can find out information about your learning on the CLASS PAGE. There are also links to:

SUMDOG Numeracy, Reading and Spelling - there is a log-in in your pack.

LINGUASCOPE Languages learning – there is a log in in your pack.

This website is new to you. Your teacher will let you know when to use it. There is a log in in your pack.

Home Learning Guide

Plan your day (try to stick to the school routine)

Create a timetable of activities. Plan break times and times for fitness activities (going for a walk, playing in the garden or a fitness app).

Literacy / Numeracy

Try to do literacy and numeracy activities each school day.

Screen Time

Limit your screen time (set daily limits). Try to be creative with screen time (watch a classic film or play an educational app).

Reading

Read a lot! Maybe you could get a Kindle Unlimited trial or audiobooks to listen to stories.

Plan a range of different activities

You will feel fed up if you do the same thing all day (e.g. playing Xbox)

Try to do a variety of activities and learn a new skill (baking, sewing, drawing, origami)
