

RESPECT INCLUSION TEAMWORK EFFORT

10 August 2020

Dear Families

Last week I sent families an email detailing plans for re-opening Sciennes.

Attached is a summary overview of staggered start and finish times for each Year Group. To enable physical distancing it is vitally important that pupils only use the correct entrance and exit at the correct times. Thank you for your support.

We encourage and promote Active Travel at Sciennes. Please note that the current plan is to maintain access to the bike racks for bicycles and scooters. The children are already very respectful about not touching other children's bikes and we hope staggered start and finish times will help avoid overcrowding but we will monitor. Remember to padlock all bikes and scooters and P1-P2 parents can enter the playground to help with padlocking.

We look forward to welcoming pupils with surnames A-L on Wednesday 12th August and pupils with surnames M-Z on Thursday 13th August.

All pupils resume on Friday 14th August and only P1 pupils will continue to line up in the playground before coming into school.

P1, P3, P5 **WEST WING**
P2, P4, P6, P7 **EAST WING**

Andrew
