

RESPECT INCLUSION TEAMWORK EFFORT

12 June 2020

Dear Families

You should have received a text message with a link to a letter from Alistair Gaw, Executive Director of Communities and Families with information about schools opening in August 2020.

I have attached the letter as well the link for your convenience. It is also on the Sciennes and Council website.

We are now able to shape our plans as to what this will look like for Sciennes and I will liaise with the Parent Council. I realise you will be keen to know which days your children will be in school. I will let you know before 24 June.

With best wishes
Andrew
