

RESPECT INCLUSION TEAMWORK EFFORT

19 June 2020

Dear Families

I have attached a document where we have aimed to outline Council and school plans for August 2020 as they currently stand. However, the situation is constantly and rapidly evolving and should there be any change to the current plans of 33% attendance, I will inform you by email, the school website and Twitter. Families will be informed of the A,B,C groupings by 24 June. If anything changes in the summer holidays, I will also inform you by email, school website and Twitter.

I realise this is a very unsettling time for you and we will do everything we can to help.

We also have some fantastic parents who are working behind the scenes to explore possible accommodation options for us should this prove necessary. We are grateful for their help and support.

I will also compile a list of Frequently Asked Questions (FAQ's) and put them on the school website and email them to you. I have received many emails relating to Blended Learning. If I have not got back to you yet please bear with me. I will respond! Hopefully the FAQ's will also help.

I hope you have enjoyed the sunshine today.

Best wishes

Andrew
