

## RESPECT INCLUSION TEAMWORK EFFORT

### HOME LEARNING

21 April 2020

Dear Families

I hope you all had a good Easter/Spring break even though it will have been a bit different than usual. The weather was kind to us so hopefully you managed to enjoy some time in the garden or outside exercising. It was lovely to see some of you while I was out on my daily 4 mile walk.... with the occasional jog!

I wanted to give you a brief update on our Home Learning. The Grids for this week are on the website. They will be posted there each Friday ready for the week ahead.

We have been exploring new ways to communicate with you and your children. This will continue this week, initially with Primary 1 and Primary 7.

I will issue further guidance and an outline for the term later this week.

Please do contact us if you have any questions.

Best wishes

Andrew
