Dear Families

A very brief newsletter. We are relieved and pleased to pass on that no positive cases have reported in school this week. That is thanks to you, the children and the staff for maintaining the sensible precautions needed to keep everyone safe. We hope you can now re-connect with friends and family and enjoy some much-needed rest and relaxation.

The Christmas Assembly was held on Thursday morning and the slideshow has been posted in each class' Team. Lovely to see P1 singing for families in the playground this week and to hear an amazing group of P7s play Jingle Bells. The P7 House Captains did a fantastic job of re-telling Dr Suess' "The Grinch." We were absolutely delighted that Andrew was able to provide a Christmas video message for the children.

Next year is 'The Year of Scotland's Stories' which aligns very well with one of our school priorities to develop reading and replenish our novel sets and class libraries. We look forward to hearing all the children's stories when we return on Thursday 6 January.

A sincere thank you from everyone at Sciennes for all your support and also your great kindness.

We hope you have a peaceful, healthy and happy holiday.

Lucy, Carolyn, John, Steve and Jenni
